Seeks orders whether in making appointments of Police Daffedars the proportion of two 'special' to one 'general' may be adopted. Subd. In G.O. dated 15th Nov., 38, the I. G. P. was permitted to adopt the proportion of two 'special' to one 'general' in making appointments in the executive service of his dept. He seeks orders whether in recruitment to the Daffedari this proportion may not be adopted.

PUD

It has been reported that the percentage of appts held by members of the Backward classes in the ranks of the Daffedari is above 50%. The proposal of the I. G. P to treat two appointments as special to one as 'General' is therefore not open to objection. But, one

point seems to require examination.

Under G.O. dated 10th July 28, the vacancies in the grade of Daffedars are now filled up by promotion and direct recruitment in equal proportion. Further, three out of four vacancies available for promotion are to be reserved for Backward class candidates. It is not now definitely stated what proportion among the vacancies thrown open to promotion should be reserved to Backward class candidates — whether it is three out of four as at present or two to one. The G.G.P. may perhaps be therefore asked to submit definite proposals in the matter in the first instance. D

Adverting to G.O.No.3241-43/CRB., 30-38-2, dated the 15th November 1938, of the General Secretary to Government fixing up the proportion of two special to one general in regard to the appointments of candidates in the executive service of this department, I have the honour to state that a proportion of three to one in regard to the Daffedars' appointments had been fixed as per G.O.No.4339-48/CRB.20-35-1 dated 30th January 1936, but the Government Order under reference does not either modify or rescind the previous order in regard to the Daffedars. Daffedars are a class of officers in the executive and the proportion of two to one has to be applied in the case of these officers also in view of the fact that the percentage of non-brahmin Duffedars has reached 68.27.

In the circumstances, I request that necessary orders may kindly be obtained in the matter of recruitment of Daffedars also in the proportion of two special to one general.

I have the honour to be,
